Dear Marge;

Peace, love and grace from our Lord and Savior be with you.

I am very excited about what is going on in the Hispanic Americas.

During my trip to México City I had four days of conferences. A lot of people attended the church for the first time on the day that I had the first conference, Thursday Oct. 1. I also gave membership classes to the people that have been attending the services regularly. Fifteen people became members the last day of the conferences when I was receiving the Chapter members.

The four days of conference were very exiting and uplifting. Every time I am learning more and more about how to work with the Hispanic American people.

In Ventnor, NJ there is a place called Overseas Ministries Study Center. They offer courses and conferences to instruct people in different parts of the ministry to which Gos has called us. Some of these courses last few days or a week. During the week of January 25-29, 1982 they are offering the course: "The Cry of My People: A Latin American Perspective on Mission in the Americas." I talked to Nancy Wilson about it and she told me that it is very important for me to take that course. I sent the registration form with the registration fee, believing that God will provide the money for me to pay the balance and for the airfare.

I know that you love and care for the Hispanic Americas; and also you have offered to help the Hispanic Americas Ministry in any way you could. So, here I am asking you if it is possible for MCC Boston help me to go to NJ to take this course. The H.A.M. doesn't have the money. It will be about \$400.00 for lodging and food for five (5) days, plus airfare from L.A. to New Jersey. If I can get a connection flight that stops in Boston, I would like to go to visit you in either way. I could go the Sunday (24) before or the (31) after the classes.

If you can help me, please let me know, so I could start making plans to go. The Rev. José Cruz is in New York. He can be reached at (212) 458-9536.

Hoping that you can help us with this request and to hear from you soon, I am

Your Co-servant in Christ Jesus

the Rev. José L. Mojica
